To,  
The Parent,  
BVIS COMMUNITY.

The school has **BANNED** the following items within the school campus and hence we sincerely request you to guide your children accordingly. This is to be in effect from 15<sup>th</sup> January 2011 onwards, as our New Year resolution towards becoming environment friendly at least within the campus to some extent. We believe “A little progress everyday adds up to big results” in general. The banned items inside the school campus are as follows:-

1. Plastic Carry Bags in any form to carry things
2. Chips pack plastic papers, Plastic Coffee Cups etc.,
3. Non decomposable plastic or polythene sheets
4. Food items or Gift items packed in plastic bags etc.,

For any one violating the above rule, the school wishes to intimate that they will have to pay a penalty of Rs.5 for any such practice every time and the funds raised will be utilized to improve the environment within the campus for the children.(For ex., growing trees, plants, medicinal plants, MODELS for Drip irrigation system / Water purification system etc.,). It's not our policy to raise funds through collecting penal charges, but to strictly bring into force; there is no other possible way for the school.

Wherever you move on, use paper, jute or cloth bags etc., instead of plastic bags (Kindly do not think over or argue with school authorities for its recyclable condition)

Also please do not throw away the banned items close to our premises or anywhere else due to our policy. We kindly request you to think of our motto or cliché and then act.

Use any form of decomposable items and follow the policy of 3 R's “Reduce, Reuse, Recycle”, which the school is soon to implement it with effect from June 2011 onwards.

*Kindly intimate us about your change of address, E-Mail Id, Contact phone numbers through a form available at the back of your Pupils School Hand book. For any other assistance, please contact the school office at 223 10 40*

With regards,

PRINCIPAL

**P.S.:** Students not following the above policies may not be able to achieve better results in their PSME (I – VI) or Socially Useful Productive Works (VII - X).

*Our Cliché: First to thine own self be true*
