A Note

We request the parent community of BVIS to stick to their time schedule (those who have not) in remitting the school fee & transport fee and avoid late payment fee, which will ease our administration process and help us to concentrate more towards the academic and international activities.

It is a pleasure for us to release this issue in continuation to completion of our school building (First Phase). Here in this issue, I congratulate all our school children for their enthusiasm and spirit towards getting used to the new environment. Children feeling "Brindavan" as their community area is very much approved by our teachers & have proved that it 's no contrary to their student's thoughts.

In this issue, I would like to *highlight* that **BVIS** has been certified as an **AUTHORISED TRAINING CENTRE** to conduct Training (**English Course for Class I to Class X**) for YLE, PET, KET Examinations organized by the University of Cambridge ESOL Examinations, U.K.
